Certifications

Geekster | Geekster Full Stack Web Development Bootcamp

- Solved 400+ DSA/Coding questions on Hackerrank and Leetcode.
- Participated in various Geekathons organized by the platform.
- Worked on various projects like **Threads Clone**, **Food Delivery App**, **Olx Clone** and **Payment Integration**
- Technical Stack Learned : **React**, **NodeJs**, **ExpressJS**, **MongoDB**, **Tailwind**, **JavaScript**, **HTML**, **CSS**

Projects

Threads Clone [[Github link](#)]

- Built an advanced Threads clone using the MERN stack (MongoDB, Express.js, React.js, Node.js), incorporating features for creating, discovering, and engaging in threaded discussions.
- Dynamic UI components (react-popover, etc.) for user-friendly experience. Set-up Database with MongoDB, Secure authentication with JSON Web Tokens (JWT), Threads and User profile management with BcryptJs, efficient HTTP requests Fetch, and Real-time communication with Socket.io.
- Tech Stack: **JavaScript**, **Node.js**, **React.js**, **Chakra UI**, **Recoil**, **MongoDB**, **Express.js**, **JWT**, **Socket.io**.

Food Delivery App [[Github link](#), [Deployed Link](#)]

- A Food Delivery App created using React where users can create an account, browse through a variety of food, place order, pay through integrated payment features and experience all of this on any screen.
- This app allows you to login/signup using Firebase, browse and add food items in cart, utilizes local storage to keep cart data intact, and proceed to payment with Razorpay integrated into the app.
- Tech Stack : **React.js**, **NodeJs**, **Express.js**, **Razorpay**, **JavaScript**, **HTML**, **CSS**.

OLX Clone [[Github Link](#), [Deployed Link](#)]

- Built the clone with a team in my first ever Hackathon, I led my team and had a great learning experience .

- Crafted responsive website with user friendly design, tracks Version history for iterative design improvements, organizes listing based on categories.
- Tech Stack: Utilizes **HTML**, **CSS**, **jQuery**.

Skills

- **Computer Language** : Java, Javascript
- **Frameworks / Libraries** : ReactJS, NodeJs, MongoDB, ExpressJS, Tailwind, Recoil, React-Router , Redux
- **Tools & Technologies** : GIT & Github, VS code, Firebase

Education

Year	Degree/Examination	Institution/ Board	CGPA/Percentage
2022	BCA	Himachal Pradesh University	7.58
2019	12th	NCERT	63.60%
2017	10th	NCERT	79.71%

Achievements and Co-Curricular Activities

- Helped secure 1st position for my team as a mentor in Geekathon.
- Participated over 5 times in Geekathon.

Achievements and Co-Curricular Activities

- For awards/achievement
 - [Hackerrank track](#)
 - Participate in virtual hackathons
- Participated in Cricket tournaments for my town .
- Volunteer as a Trip organizer for my university.
